Report on "Educational Excursion to Science City" Organized by the Department Political Science

Date: - 19.12.2024

Time: - 10:30 AM Onwards

Objective:

- 1) To nurture students' curiosity, thinking skill beyond the traditional classroom setting.
- 2) To enlighten the students about the displayed items in the Science City.
- 3) To let the students experience different scientific innovations to create, inculcate and sustain a general interest and to encourage logical reasoning among the students.

Key points:

Before visiting to Science City along with the students, the teachers visited the place a couple of days ago to know the process, regulations and concession for entry tickets, available for students. Accordingly, a letter was given to the In-charge of that place mentioning beforehand with the number of teachers and students for the necessary action. As such the students visited that place without any hassle and also got concessions on entry tickets.

The students enjoyed various attractions of Science City like Time Machine, The Panorama Show on Human Evolution, Space Theatre, The Dark Ride and lastly all the students along with the Professors reached towards the Exit Gate through The Rope Way.

Total number of participants: 67 (including Professors)

Outcome of the Excursion:

- 1) The students shared their perspectives and insights on the scientific phenomena observed during the visit.

- 2) The excursion enabled the students to develop an overall interest in their academic activities.
- 3) It also provided students an opportunity for both creating memories and finding ways to expand their knowledge.
