## Report on One Day National Level Webinar on "National Education Policy 2020: Implementation and Integration of ICT in Higher Education" organised by Department of Education

**Date: 26.09.2020**

**Time: 2:00pm - 4:00pm**

### Objective:

1. To disseminate the NEP 2020 among faculty members and students of higher education.
2. To recommend measures of capacity building for the Teachers and Students of higher education.

### Resource Person:

1. Professor Md Kutubuddin Halder, Head, Department of Education, University of Kolkata
2. Professor Ramakanta Mohalik, Department of Education, RIE, Bhubaneswar.

The Department of Education, organised a webinar during the covid pandemic on the title “ National Education Policy 2020: Implementation and Integration of ICT in Higher Education”. The main objective of the webinar was to highlight the implementation of use of technology in the higher education level and the reformation of technology as well as the prospective challenges and problems in the coming years.

### Key points discussed:

The seminar was inaugurated by Prof. Prabir Biswas. His inaugural address shed the light on the opportunities the National Education Policy (2020) can create for the future of our educational system and the young learners of the nation.

There were two technical sessions.

The first session was followed by Professor Md Kutubuddin Halder and he delivered his lecture on the “ Integration of Technology in the teaching-learning process.” He discussed the scope of technology in education in general and then moved on to focus on the need and importance of implementing technology in higher education keeping in mind the present Covid-19 situation.

The second session was presented by Professor Ramakanta Mohalik. He presented his views on the “Ensuring Equitable Use of Technology in Higher Education under NEP 2020.” The resource person started by mentioning the differences of NEP 2020 and NEP 1986. He further added the importance of technology and how it can be used in the classrooms to engage students and make learning effective. He also mentioned a number of online portals like INFLIBNET, SWAYAM etc and also.

Date .....

**Total number of participants: 86** (including teaching faculty, Principals and research scholars if from colleges and Universities.)

**Participants from other states: 48**

### Outcome of the Seminar:

1. The participants got well acquainted about the scope and the importance of technology in higher education.
2. The participants were acquainted with different technological initiatives that were available for the students, teachers in the education field.
3. The resource persons comprehended the doubts and questions of the participants.

### Follow up Actions

1. More focus needs to be taken on the technical aspect.
2. Conduct more seminars and workshops related to NEP 2020.
3. The time period for the technical sessions could be extended for the upcoming seminars.

### Brochure for the Seminar.
