5.1.2.4. ICT/ Computing skills

As the world is moving towards digitalization skill on computer is mandatory nowadays. Computer courses help people learn about programming languages, students also learn concepts such as data structures, algorithm and computer networking.

Harimohan Ghose college does not only provide infrastructure for day to day routine classes but also organizes different courses and programs from time to time to facilitate the skill of the students. Since our college did not collaborate with any professional computer training centers, our IT department teachers gave training on basic knowledge of computer.

The department of IT organized 5days Computer Awareness program from 19/09/22 to 23/09/22 and 09/05/24 to 15/05/24.

The program list were,

1. Computer and its hardware idea.
2. Basic idea of software
3. Use of PowerPoint and Microsoft word

Every year for final year students to improve their skill. So that, they can placed in a good position very easily.
