Cultural Committee Report

Cultural committee is responsible to organise and promote all intra and inter collegiate cultural events in the college in every academic session to bring out the hidden talents of the students in performing arts. The main Objective of the Cultural Committee of our college is to encourage students to showcase their creativity and shed their inhibitions. Outcome of Cultural Committee is to create a suitable atmosphere to work as a team and to build up a concrete cultural ambit in the college.

Social or cultural activities not only help students to identify themselves within the college, but also assist students to develop themselves in a desired field and also improve skills such as organizational, presentation, leadership and interpersonal communication. The cultural activities enhance the confidence level of the students thereby allowing them to perform better in every field of life.

Both the students and the teachers of various departments of our college actively participate in cultural programmes. Our students are wonderfully creative in the manner in which they choreograph commemorative programmes such as “Desh Vandana” a celebration of Independence Day, Obsevation of Students’ Week, Teachers’ Day Celebrations, Basanta Utsab, Celebration of Rabindra Jayanti, and Students’ Reunioin etc.

The said cultural celebrations lead to a harmonious relationship among the teachers and the students, thereby exhibiting a healthy teacher-student bonding. Also these activities enhance the personality of the students and help them to enlighten different corners of their life.
