Our teachers of Harimohan Ghose College are actively engaged in research works throughout the years. The teachers from different departments- Science, Social Science, Literature and commerce department of our college already published high quality research articles in internationally/nationally reputed journals. But unfortunately, in this stipulated period (2018-2023), our teachers did not have any research grant. Though our teachers are diligent enough to continue their research work by collaborating with other institutes or self-financed research. Hope our teachers will get highly funded research projects/ endowments in near future.

Professor Dr. Alok Chattopadhyay(from Physiology department), professor Dr. Runa Chattopadhyay (from Bengali department) and professor Mrs. Sanchita Sen (from History department) are the proud UGC grant receiver from our college.They had successfully executed their project works and submitted their project reports to the concerned grant agency within 2007.
