DARKNESS TO LIGHT AND MORE LIGHT

Sri Harimohan Ghose

HISTORY OF THE COLLEGE

Garden Reach area is connected to the history of Nawab Wajid Ali Shah . The area has a rich tradition but there was no instruction for higher studies. In view of this problem Late Hiralal Ghose took the initiative to establish a college. Late Promodabala Ghose, wife of Late Hiralal Ghose donated the land. Some eminent personalities of this locality were engaged in this Karmayajña . 14th December 1962 was the historical day. A trust was formed and HARIMOHAN GHOSE College was established. Shri Hiralal Ghose, Dr. Batakrisna Kundu, Shri Rabindranath Ghose, Dr. Hrishikesh Pal were pioneering members of the trust.

The area is adjacent to Metiabruz the hub of ready-made textile clothes . An area populated mostly by minority population had certain inhibitions regarding Higher education in general and particularly regarding the the education of girls . But the college since its inception had its affiliation with the University of Calcutta to teach B.com (Honours and General courses) and BA (General course) with only Bengali having the Honours affiliation . The college started teaching + 2 courses affiliated to West Bengal Higher Secondary Council to make its foray into the science stream where physics, chemistry and Mathematics and bio sciences. Later the college with its motto From Darkness to Light and More Light managed under able stewardship of its Governing Body and proactive principals and teachers and non teaching staff to transfer the science courses to BSc courses of Calcutta University. From 1990s onward the graph of the college continued to rise with the granting of Honours affiliation in various Humanities subjects after thorough inspection by The Calcutta University authorities in each and every subjects. From the millennium college did away with +2 courses and applied for Honours affiliation for History, Political science English and Urdu in BA stream and Physiology , Mathematics and Economics in B.sc stream . The college caters to a large hinterland of atleast 12 Higher secondary schools and has a name for being an institution that not only teaches but also inspires students to be good contributors to social upliftment.

HARIMOHAN UTSAB

Desk of Principal

The Harimohan Ghose College was established in 1963, by the scions of the Ghose family of

Fatehpur, Garden Reach with the help of the residents of the area to provide the fruits of Higher education to the students of the area who then were detached from proper Kolkata. So years passed by the College become a centre of higher learning for many who unfortunately came from less privileged background. The College with its motto from “Darkness to Light and More Light” has tried its best to fulfill the goals for which this College was setup. Now having completed so many years of service to the society, the College can claim to have a history yet a history which need not be quoted but understood by all well wishers and stake holders of the College.

As the Principal of the College, my request goes out to all Teachers, Non-Teaching Staff members, students and guardians that with dedication, discipline and determination, we can cross all hurdles and establish this College as a top-notch College amongst the College affiliated with University of Calcutta. To all students of this College including those who would start their journey to Higher education from this College may appeal is be punctual, be regular, be attentive, be inquisitive, ask questions and always have ambition for all of you with young minds can soar to the skies.

With its avowed Tagorean motto – Jnan Jetha Mukta, ‘Where Knowledge is Free’ – our College attempts not just to disseminate knowledge irrespective of differences, but also, in keeping with the Tagorean vision of education, to promote a more holistic approach towards the same as a means of liberating the mind and spirit from the bondage of ignorance, prejudice and unreason.

In fact, commitment to serve our students by providing quality education to all, irrespective of caste, creed, religion and economic status is one of the basic tenets on which our college stands. We are determined to help our new generation to build a 'brave new world' where only love, fraternity, peace and harmony will rule. I wish all the students a very happy beginning of their career and hope to extend the 'HARIMOHAN GHOSE COLLEGE FAMILY' with the support of parents, alumni, neighbours and other academic bodies with whom we collaborate.

We have consistently maintained a sustained programme of development, the pace of which has gained momentum with every passing year. Under the affiliation to University of Calcutta, it currently runs Undergraduate Courses in fourteen (14) subjects- B.A, B. Sc and B.Com (Honours & General) and Add-on courses with various other training courses. To help students in their career prospects, the college has an active Placement Cell which arranges campus interviews and recruitment by the industry and also counsels them regarding career options. The College has also in the last few years revived the NSS unit whose members, under the effective guidance of the respective teachers-in-charge, are actively engaged in extension activities related to social upliftment and personality development. A healthy mind resides in a healthy body. Keeping this in view, the College encourages active involvement indoor and outdoor games in our own ground under good guidance of Physical Instructor/ Teacher-In-Charge.

Human resources constitute the principal asset of our College, and these include students and staff – both teaching and non-teaching – as well as other stakeholders including the alumni. Nurturing and nourishing these resources our dynamic group of Teaching, Non Teaching and

students who believe in maintaining a healthy atmosphere through good human relations in College conducive to both academic and co-curricular activities.

Helping to steer all these, the Principal is aided by the various bodies of the College, i.e., the Governing Body, the Teachers' Council, Non-teaching Staff members, the Students' Union, the Alumni Association, and the Internal Quality Assurance Cell (IQAC).

Moreover, the objective of this century with the NEW EDUCATION POLICY recently announced by the University Grants Commission, Govt. of India-old institution is to focus on the all-round development of students and mould them into responsible citizens of the country.

Dr.Prabir Biswas

MA(Eco),Master in HRM,MBA(HR),MBA(Finance),PGDPMIR,B.ED,LLB,Ph.D

Principal

Desk of President

Message From The Honourable Speaker, West Bengal Legislative Assembly, Shri Biman Banerjee, President, Governing Body, Harimohan Ghose College.

Education is the beacon of light for the underprivileged, the pathway of the righteous, the only hope for justice and equality in society.

Harimohan Ghose College was built on these lines of hope and a desire to create a space for nourishment of young minds, to expand their wings of ambitions and build their foundation of knowledge. Our students come from diverse economic backgrounds, mostly poor and illiterate, and our Institution has become the doorway to their future dreams.

For me, it is a personal journey, as I was once a teacher to these students, and now the President of the Governing Body of the college. Harimohan Ghose College is a place which has embraced the traditions of the past and is incorporating the modern changes in educational syllabus and structure to create the ideal atmosphere of holistic growth for the new generations. With the NEP 2020, which has been implemented in the 2023-2024 academic session, the college has introduced three new subjects - Film Studies, Mass Communication and Human Rights. Our Institution has a robust Anti-Ragging Cell, Internal Complaints Committee and Grievance Committee for the safety of students as well as an active Women's Development Cell to protect the female students and staff of the college. Our college has created generations of good citizens who are productively engaged in society as teachers, lawyers, administrative officials and businessmen for more than six decades.

Change is the essence of life and to embrace change in the most positive way, Harimohan Ghose College has tried to develop exponentially in pace with the modern times. As a practitioner of law, as the Speaker of the West Bengal Legislative Assembly and as a teacher, it is my dream to see the beautiful transformation of young minds and talents grow into responsible citizens, their horizons widened with the light of education, their spirit imbued with the zeal to create an ideal country where India will shine with her own luminous presence on the global stage. I wish to include all stakeholders of this Institution in this journey of promise and perseverance to accomplish their aspirations in future... "yearning in desire to follow knowledge like a sinking star/ Beyond the utmost bound of human thought." I wish all my students, Teachers and Non-teaching members success in this great mission.

Message from IQAC Co-ordinator

To assess one's own institution both collectively and individually is an expression of an ever-striving effort to reach for the acme of excellence and if possible, go beyond it. The college, particularly its teaching staff had always looked upon their performance with a critical eye to find the lacuna and fill them up with more dedicated guidance to the principal stakeholders of the college i.e. the students. When UGC officially designated a special cell Internal Quality Assessment Cell for each Institution of Higher Education, it codified the functioning of this analytical and critical assessment of the college in the spheres of Academic and Non Academic activities. As the coordination of IQAC, 'One can say with utmost honesty that different academic departments of the college and the management of the college had organized meetings, workshops, webinars, seminars, exhibitions, career counseling sessions, social awareness activities, etc to enhance the quality of Students' tenure in the college'.

As IQAC Coordinator, one has always looked after C.A.S (Career Advancement Scheme) of one's colleagues to their promotion from present designation to the next higher stage after thorough checking of all data submitted by one's colleagues.

Coordinator of IQAC always tries to be transparent and accessible to all stakeholders of the college coordinating with each individual (particular the teachers for their different courses conducted by Academic Staff Colleges of different universities. IQAC coordinates different activities of the college and never controls any activities which it by collective decision making finds beneficial to the college

Code of Conduct

Code of Conduct for the Students:

Students are instructed to follow the rules and regulations mentioned below strictly. Any violation of this rules on the grounds of ignorance would not be tolerated but dealt with strictly.

1. Students are required to attend classes regularly.
2. Any student found to be engaged in any activity detrimental to the student community or to the college will be expelled.
3. Any student found guilty of ragging a fellow student either physically or mentally will be expelled.
4. Misbehavior with any member of the staff by any student will be immediately expelled.
5. Loitering in the corridors of the college is strictly prohibited.
