'SAM BAHADUR' FILM SCREENING

Besides inculcating in students the capability that would enable them to appreciate literature and delve deep into the literary field, endeavours are also made to instil in them the desire to know more about the history of the country as well as implant in them patriotic feelings, emotions and thoughts. With this wish we ventured to take them for a movie named "SAM BAHADUR" that is pictured on the great army officer, Sam Manekshaw, who was one of the most influential and renowned officers, serving for about four decades and fighting in five wars. He was the first army officer to be promoted to the rank of Field Marshall.

OBJECTIVES:

- To make them aware about the history of India.
- To learn to appreciate and express their gratitude for those who have made sacrifices for the country.
- To provide them with the opportunity to take pleasure in watching a movie that is based on facts and not fiction.
- To teach them to be disciplined and responsible, especially, when they are representing an institution.

PROCESS:

In order to take the students for the movie, the manager of the movie hall was requested to arrange the tickets and do the needful so that they could accommodate all the students. At our request he instantly arranged everything and made it possible for us to watch the movie. Since the plan to take students for the movie was decided earlier, and accordingly on that day they had visited the Vedic Village before they went for the movie, so travelling was quite easy and flexible.

OUTCOMES:

Undoubtedly, each and every student appreciated the movie. They were glad that they had been taken to watch such a patriotic movie, which had enriched their knowledge regarding the history of the country and many such revolutionary actions that in turn was responsible for making the country as it is today. Certain parts of the movie that

was incomprehensible, was explained by the teachers. Their inquisitiveness to know more was reflected through their attitude. They enjoyed every bit of it, in the company of their friends and teachers.
